**Official Response to Detailed Action dated 10/21/05**

After discussing, at length, the actions taken by your office, Robert R. Treloar and I, Roger H. Treloar, offer our official response addressing each claim.

Claim 1 – Claim 18 are cancelled. (Copies of said claims are included on the following pages)

Claim 19 will be rewritten according to your directions and be designated as Claim 21.

Claim 21 A process of placing a spray nozzle behind said filter and spraying said solution and/or water in a direction of a stream of air when said stream of air is being blown from said exhaust fan from said pit into said filter.

Claim 20 remains as stated.
